Zondervan. Paperback. Book Condition: new. BRAND NEW, Small Is Big, Slow Is Fast: Living and Leading Your Family and Community on God's Mission, Caesar Kalinowski, Hugh Halter, Mike Breen, You don't need to have the talents of a rock star or the wisdom of Yoda to effectively and naturally live a life on mission with God. And you do not have to add a big list of new activities to your life! Instead, it is the everyday ordinary things done with greater gospel-intentionality, slowly over time, that make all the difference. Biblical and super practical, Small Is Big, Slow Is Fast helps readers respond to Jesus' call to each of us to be a missionary right where we live-in our own families and neighborhoods. It shows you step by step the essential elements that create environments for organic kingdom growth and multiplication. Whether you're looking to lead your own family or are taking first steps toward starting a church that has discipleship and mission at its core, you will discover the secret to starting out small and going (seemingly) slower-and not feeling guilty about it. And you'll be encouraged to trust that when you lay the right foundations, multiplication will occur and will always be "faster" and more successful in the long run.
