It was a land where savages were said to live, a place where monsters were thought to roam. It was North America west of the Mississippi River a mysterious territory that, at the turn of the nineteenth century, was highly feared and virtually unknown. But nothing could stop a team of daring explorers who set out to chart this vast wilderness in 1804. led by Meriwether Lewis and William Clark, they faced danger, disappointment and even death. yet the discoveries they made on their two and a half year odyssey opened the way west across the continent. In her characteristic lively style, Newbery honor winner Rhoda Blumberg tells the gritty story of this incredible journey and the enterprising pair who headed it. Illustrated with reproductions, black and white photographs, and maps. Documented with extreme care from both primary and secondary sources, illustrated with early American paintings, and narrated with style, even humor, the...
