

## Will Africa Feed China?

By Deborah Brautigam

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Is China building a new empire in rural Africa? Over the past decade, China's meteoric rise on the continent has raised a drumbeat of alarm. China has nine percent of the world's arable land, six percent of its water, and over 20 percent of its people. Africa's savannas and river basins host the planet's largest expanses of underutilized land and water. Few topics are as controversial and emotionally charged as the belief that the Chinese government is aggressively buying up huge tracts of prime African land to grow food to ship back to China. In *Will Africa Feed China?*, Deborah Brautigam, one of the world's leading experts on China and Africa, probes the myths and realities behind the media headlines. Her careful research challenges the conventional wisdom; as she shows, Chinese farming investments are in fact surprisingly limited, and land acquisitions modest. Defying expectations, China actually exports more food to Africa than it imports. Is this picture likely to change? African governments are pushing hard for foreign capital, and China is building a portfolio of tools to allow its agribusiness firms...
