## Primal Estate: The Candidate Species (Paperback)

By Samuel H Franklin

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Do our modern chronic health issues have a cause we can control? You bet they do. This is the first fiction novel designed to be a mythology that can strengthen your will to resist what is killing you. Have you ever wondered why our chronic illness is so pervasive? Answer: everything is working according to plan, almost. The conspiracy is revealed. All of humanity is a carefully planned resource project. The advanced race of Provenger introduce agriculture to our hunter-gatherer ancestors with the intent of returning thousands of years later to harvest the population it makes possible. The staff of life becomes the club of death in this dystopian tale that reveals their plan to biologically control the development of the human race. They have designed wheat to have very specific effects. They want their victims to populate the planet while slowing their technological advancement. Their prey will be numerous, plump, and harmless; the dream of any carnivore. They do their job too well and things go horribly wrong. When they return they encounter multitudes that are sick, obese,...

### Reviews

*Unquestionably, this is the best work by any author. Better than ever, though I am quite late in starting to read this one. I realized this publication from my dad and I advised this PDF to find out.*
