She won't stop until she finds the truth Caroline Bennett is not looking for a summer romance. As a police officer at Starlight Point amusement park, she's got more important things to worry about, like solving a cold case involving a girl's mysterious death thirty years ago. Construction engineer Matt Dunbar is one of the few people who'll talk about the incident, but even he's not eager to dig up the past. Matt's working on a new state-of-the-art roller coaster--a project that could make or break his career--yet he still finds time for Caroline. As the end of summer approaches, her investigation implicates Matt's company, and she has to choose: justice or the funny, charming man she's falling for.
