Notion Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What they don t teach you in Project Management School builds on the existing book of knowledge on project governance and management. The book brings the author s tacit knowledge and his knowledge rooted in context to bear on this subject. The book provides deep insights and shares experience on how projects are delivered in the real world. Emphasis is on the mathematics of project management. There are several topics that are not taught in project management schools - metrics, managing onshore-offshore delivery, managing staffing pyramid, managing cash flow in projects, comprehensive project governance plan, and also comprehensive coverage of tools and templates like MS Project Professional, Requirement Traceability Matrix and EVA.
