University of Minnesota Press, United States, 2015. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. The enchantment stayed with her and shimmers throughout this book as we join Leaf and her family in canoeing the waterways of North America, always on the lookout for the good life amid the splendors and surprises of the natural world. Along the way they contend with their own human nature: they run rapids when it would have been wiser to portage, take portages and learn truths about aging, avoid portages and ponder risk-taking. Through it all, out in the open, in the wild, in the blue, exploring the river means encountering life good decisions...
