

Memoirs of an Accused Madam: The War on Adult Business in Orlando

Filesize: 1.34 MB

Reviews

This pdf might be really worth a go through, and far better than other. It can be packed with wisdom and knowledge Its been written in an exceedingly straightforward way and is particularly only soon after i finished reading through this pdf by which basically changed me, modify the way in my opinion.

Booksurge, United States, 2009. Paperback. Book Condition: New. 203 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1992, Vicky Gallas opened escort services in Orlando, Florida. Two years later she became the focus of an intense criminal investigation that resulted in her arrest in late 2001, and subsequent jury trial. In this hard-hitting memoir, she reveals how racketeering and organized crime charges were brought against her based on proof so flimsy that agents and prosecutors could not get a wiretap or a warrant to search. The story begins in early 1993, with the discovery of blocks on escort service telephone lines in Orlando area resort PBX systems during large convention bookings. The blocks began in the late 1980s and were not isolated to the Orlando area, but were also transpiring in Las Vegas. Though there have been civil suits filed in Nevada and federal courts over the blocks by other victims of the conspiracy, to this day the practice has evolved and continues unabated by the powerful group that created the conspiracy so long ago. The real story is the relentless pursuit of Vicky Gallas by powerful people with so much to lose if the truth were to be exposed. For anyone fascinated with the foibles of our criminal justice system, the sensational Orlando connection, and how escort services really work, this is a must-read book.
