A YEAR IN JAPAN

To get **A Year in Japan** PDF, you should access the hyperlink beneath and download the document or get access to additional information that are related to A YEAR IN JAPAN ebook.

Princeton Archit.Press. Paperback. Condition: New. 192 pages. Dimensions: 7.9in. x 6.0in. x 0.8in.The Land of the Rising Sun is shining brightly across the American cultural landscape. Recent films such as Lost in Translation and Memoirs of a Geisha seem to have made everyone an expert on Japan, even if theyve never been there. But the only way for a Westerner to get to know the real Japan is to become a part of it. Kate T. Williamson did just that, spending a year experiencing, studying, and reecting on her adopted home. She brings her keen observations to us in A Year in Japan, a dramatically different look at a delightfully different way of life. Avoiding the usual clichs--Japans polite society, its unusual fashion trends, its crowded subways--Williamson focuses on some lesser-known aspects of the country and culture. In stunning watercolors and piquant texts, she explains the terms used to order various amounts of tofu, the electric rugs found in many Japanese homes, and how to distinguish a maiko from a geisha. She observes sumo wrestlers in traditional garb as they use ATMs, the wonders of Santaful World at a Kyoto department store, and the temple carpenters who spend each Sunday dancing to rockabilly. A Year in Japan is a colorful journey to the beauty, poetry, and quiriness of modern Japana book not just to look at but to experience. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
