BEING BIRACIAL: WHERE OUR SECRET WORLDS COLLIDE: EDUCATORS GUIDE (PAPERBACK)**DOWNLOAD**

Coqui Press, 2016. Paperback. Condition: New. Edition ed.. Language: English . Brand New Book ***** Print on Demand *****.Good, bad, ugly and illuminating--everyone has an opinion on race. As Biracial people continue trending, the discussion is no longer about a singular topic, but is more like playing a game of multi-level chess. The anthology, *Being Biracial: Where Our Secret Worlds Collide*, cites the multiracial experiences of twenty-four authors of all ages and backgrounds, from all over the world. It blends positivity, negativity, humor, pathos and realism in an enlightening exploration of what it means to be more than one ethnicity. *Being Biracial: Educators Guide* now brings the topic to the classroom in a bold examination of race, including considered portraits of current figures from the multiracial community and a section of questions relating directly to the essays within the original book, with ample space for note-taking. Students are encouraged to re-examine these issues in new and thought-provoking ways, giving all aspects of the subject some vital air time at a key point in their academic development.
