

Paradise for Sale: Floridas Booms and Busts

By Nick Wynne

History Press (SC). Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. Internationally publicized as the happiest place on earth decades before Disney arrived, the Sunshine State experienced a brief and wondrous economic boom in the mid-1920s. Entrepreneurs and real estate developers became overnight millionaires as they created luxury seaside resorts, golfing communities and country clubs. Greats, near greats, famous, infamous, movie stars, politicians, athletes, neer-do-wells, preachers, foreign royalty, con artists, educators, labor leaders, union members- every element of American and world society flocked to the Pleasure Paradise of the World. Florida was a perpetual motion machine- destined to go on forever. But in 1926, small bank failures led to panic, the new federal income tax law led to bankruptcy and a series of hurricanes decimated the tourist trade. Florida's great boom had gone bust, not to recover until World War II. However, Floridians remained optimistic that the sun of prosperity would always rise again. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Genoveva Langworth**

This publication is definitely not effortless to get going on looking at but really exciting to read through. It really is rally intriguing through looking at time period. Its been written in a remarkably straightforward way which is just soon after i finished reading through this book where basically altered me, change the way i think.
