Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Black White Interior Edition Welcome to the Battle Goddess Edition of Bulfinch s Mythology by Thomas Bulfinch as revised by Rev. E. E. Hale. This is a cornerstone piece for anyone wanting to dive deeper into mythology of various kinds. Mr. Bulfinch does a wonderful job in making a collective account of stories for most of the entities he covers, including several excerpts from poets, historians, Milton, Homer, including his own brother, and many more. Traversing from Greek to Roman to Hindu to Celtic and beyond, this is a great book for any mythology lover. If this wasn t enticing enough, we added in the volumes of King Arthur and His Knights and even Legends of Charlemagne to give you an unforgettable resource and collection. This book and its contents were created in the late 1800 s and thus, the wording and spelling of many of the deities, places, and beyond are vastly different from their modern versions. In an attempt to bring this up to speed, while maintaining its original state, Battle Goddess Productions has replaced the spellings that may hinder someone s ability to discover more research on the stories and mythology found within. This includes the spelling of names, such as but not limited to, Corea - Korea, Thibet - Tibet, or in some cases we added the alternative spelling Halcyone/Alcyone in order not to lose the original grip it holds. Another change we did was break out the dialogue and excerpts so that they may stand out clearly and be easier read or found. Hope these extra efforts involving the textual content make this a more pleasant experience for discovering mythology. The artwork found within is a collection...
