

Simplified Chinese Character Dictionary: A New Approach to Arranging, Explaining and Looking Up Chinese Characters (Paperback)

By Adrian Van Amstel

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you often have difficulty finding a particular character in a standard Chinese dictionary? Do you often fail to remember characters, though you have seen and looked them up several times? Don t you think one of the reasons could be that characters that look similar to others are not grouped together? And don t you think that the etymological background of characters (their historical development) could and should be explained better in order to understand the reason for all those dots and strokes? If your answer to these questions is yes , then help could be on its way within seconds. The Simplified Chinese Character Dictionary and its parent , the Chinese Character Dictionary, both contain several new features that make looking up, learning and remembering Chinese characters more effective and more fun: -characters are arranged by the phonetic part that in most characters is relatively easy to distinguish; by grouping characters that have the same phonetic into series, characters that look almost similar can be compared and studied together; -any character can be found by stripping it first of...
