SIMON SCHUSTER, United States, 2011. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. She s Like a Virgin . . . Simulated for the Very First Time For a red-blooded male, Las Vegas offers a virtual smorgasbord of temptation: sexy showgirls, vampy vampires, zombie starlets, you name it. But paranormal investigator Delilah Street isn t worried about losing her man to these vixens. Especially when the one woman with a soft spot for the guy also has a hard-shelled exterior. . . . She s a robot--or a CinSim, to be exact--a near-perfect simulation of the silver-metal robot Maria from the classic science fiction movie Metropolis. Part innocent teenage actress, part depraved sex goddess, the new Maria is hooked on Delilah s partner, Ric, who raised her from the dead. She also happens to be the perfect secret weapon for a demonic drug lord. Which could be one hell of a problem. Delilah s not the jealous type, but this tin-can temptress must be stopped--even if it forces Delilah to forge a dangerous alliance with her wicked mirror-twin, Lilith. If robo-girl goes ballistic, every player in Vegas loses. . . .
