

## A Brief Guide to God and the Soul (Paperback)

By Edward Conklin Ph D

Edward Conklin, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This short work is a collection of brief essays that discuss metaphysical areas of inquiry such as the western concept of a human-like god and the human soul. Since a religion cannot be classified as mathematics, and cannot be classified as a science, then religion should be more properly classified as art. The term art is defined as works created by human skill and imagination. Just as are tool-making, invention, and the creative arts of theatre, film, literature, painting, and sculpture, the many gods and goddesses of religion, are also the result of artistic endeavor, the purely artistic subjective expression of creative talent. Religion must be studied for what it really is, a creative craft and imaginative artistic expression. The human soul as that which survives physical death has long been associated with reason, ethics, morals, and goodness yet in reality is none these. The soul of life consists of a relative and triune force of hunger for food, sex and reproduction, and aggression that enable living forms to survive life and also to continue to survive after physical death. These behaviors...

### Reviews

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

*Unquestionably, this is actually the very best job by any article writer. I have read and that I am certain that I am going to plan to go through once again once more in the foreseeable future. I realized this publication from my father and he advised this PDF to find out.*
