Random people are being heinously murdered, with the bodies displayed in the most horrific way. Detective John Chandless is a thick-skinned officer from New York who had apprehended the most depraved men in the barrios. Perhaps he had underestimated the the evil in the heart of the country. Kansas shouldn t be so harsh compared to the City, but murder has no favorite state. How could this veteran detective be stumped? His partner, Simin Khouri, was a unique detective to say the least. She used psychic profilers to solve her cases. Although her conviction rate was just as good as anyone else s, John didn t believe in her hocus-pocus techniques. He worked with facts until this troubling case didn t provide any. What do you do when there is no evidence?He grudgingly asked Simin for assistance, and she was glad to give it. Simon introduced him to Anezka Kranz, her Czech psychic profiler. Could this sweet, simple woman help his case? Although John had investigated the most perplexing cases for 17 years, Anezka showed him another way to find his predator - celestially. **Celestial Summoner: An Esoteric Paranormal Suspense Thriller** Is filled with dark excitement, and begins with a whodunit situation that can only be resolved with the help of a Czechoslovakian with an ethereal gift.
