HANDBOOK TO THE NORMAN LOCKYER OBSERVATORY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Handbook to the Norman Lockyer Observatory He was educated at private schools and on the Continent, and in 1857 received an appointment at the War Office, where he was later made Editor of Army Regulations. In 1870 he was appointed Secretary of the Duke of Devonshire s Royal Commission on Scientific Instruction and the Advancement of Science. When the work of the Commission was completed, and as a result of his discoveries in connection with the sun and his private astronomical work, he was offered an appointment in the Science and Art Department, South Kensington, by Mr. Disraeli, the Prime Minister, which he accepted and was transferred there in 1875. Scientific pursuits, however, had long supplied the real interest of his life. While at the War Office his leisure was given over to the study of astronomy, and while there he erected an observatory at his home in Hampstead. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
