

Examining the Armed Citizen: The Historic Struggle Between Man and the State for the Control of Small Arms (Paperback)

By MR Paul G Markel

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What makes a person an armed citizen? Where does the right to bear arms originate or is it even a right at all? Are the police legally required to protect citizens from criminals and terrorists? Did the Nazis really ban guns in Germany? Are countries with strict gun control laws more safe from crime and terrorism than those who allow their people to carry firearms? All of those questions and many more are considered in Examining the Armed Citizen by Paul G. Markel. The author examines, not simply the modern gun control movement but, the history of arms control worldwide. Both within and without the borders of the United States of America, the book takes a close look at laws and restrictions regarding the ownership of small arms by the people of a nation and the historical results of those actions. Paul G. Markel is an Amazon Best-selling Author as well as a radio and television host. He has been writing professionally for 25 years. Mr. Markel became a United States Marine in 1987, has been a police officer, professional bodyguard, and...

Reviews

These kinds of ebooks are almost everything and got me to searching forward and a lot more. It usually does not price excessive. It's been written in an exceedingly basic way and is particularly only following it finished reading through this pdf through which in fact modified me, alter the way I really believe.

-- Athena Jones

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though I am quite late in starting reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
