

## Getting Started in Stock Analysis (Illustrated edition)

By Michael C. Thomsett

John Wiley & Sons (Asia) Pte Ltd. Paperback. Book Condition: new. BRAND NEW, Getting Started in Stock Analysis (Illustrated edition), Michael C. Thomsett, Robust analysis shows a more complete picture of market behavior. Getting Started in Stock Analysis is an exciting visual guide to both technical and fundamental analysis for the private investor. Rather than addressing the benefits of fundamental or technical analysis, author and trader Michael C. Thomsett draws upon three decades' experience in the stock market to demonstrate why traders need to employ both. Readers will learn how both methods are different aspects of the same cause and effect within the market, and how exploiting one method at the expense of the other results in an incomplete picture of the true market behavior. Coverage includes a full explanation of the range of indicators necessary to create a working system of analysis that anyone can perform on their own, helping long- and short-term investors alike improve selection and confirm investment decisions. Charts of actual listed companies demonstrate how these techniques are applied in a real trading environment. Investors and traders are constantly seeking the "magic bullet" for identifying profitable trades and timing both entry and exit. Since the 1940s, the average...
