To love and be loved is one of the greatest assets in life, it is one of the main things that gives mortal existence an essence. This is so because no one lives alone an island to celebrate either own success or mourn own pitfall. Life is built around sharing and caring in love Love is as sweet as honey. Ironically, the same bee that produces honey equally produces poison when it stings. In the same vein, like every other natural thing which must have the two faces of a coin, every Rose Flower which is sweet to behold, equally has thorns. So, while the first section of this work is concerned with the good aspect of love, the later part (section 2) of this anthology or collection contains poems that dwell on the bitter part of love. In view of the two-face nature of love, the title of the book, THIS THING CALLED LOVE, with sub-title RHYMES AND RIDDLES OF LOVE, is apt. Wishing you happy reading.
