Turn-of-the-Century Tile Designs in Full Color

By L. Francois

Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 306 x 220 mm. Language: English . Brand New Book. Carefully selected from a rare 1905 French tile catalog, this splendid full-color collection of tile designs features scores of eye-catching motifs. A valuable resource for today's artists and designers, this volume of authentic images can also serve as inspiration for craftspeople working in a variety of areas. The 250 illustrations include panels and borders of all sizes, decorated with lotus blossoms, lilies-of-the-valley, irises, and other delicate florals; multicolored designs promoting meat markets, dairies, and other commercial establishments; decorative wall tiles for bathrooms; stenciled friezes with ornate floral and foliate motifs; vibrantly colored enameled squares; geometrics; and much more. Rich in Art Nouveau flavor and elegance, these versatile copyright-free designs not only constitute an invaluable archive of usable art and design inspiration but also a magnificent browsing book for lovers of the decorative arts.
