Reviews

If you need to adding benefit, a must buy book. I have read through and i also am confident that i will likely to study again once again in the future. I am very happy to tell you that here is the best pdf i have read through in my personal existence and may be he finest ebook for actually.

(Mabelle Tillman)

DENMARK: TREATIES AND TAX INFORMATION EXCHANGE AGREEMENTS (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a technical explanation of the Protocol signed at Copenhagen on May 2, 2006 (the Protocol), amending the Convention between the United States of America and the Government of Denmark for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income, signed at Washington on August 19, 1999 (the Convention). Negotiations took into account the U.S. Department of the Treasury s current tax treaty policy and Treasury s Model Income Tax Convention, published on September 20, 1996 (the U.S. Model). Negotiations also took into account the Model Tax Convention on Income and on Capital, published by the Organization for Economic Cooperation and Development (the OECD Model), and recent tax treaties concluded by both countries. This Technical Explanation is an official guide to the Protocol. It explains policies behind particular provisions, as well as understandings reached during the negotiations with respect to the interpretation and application of the Protocol. This technical explanation is not intended to provide a complete guide to the Convention as amended by the Protocol. To the extent that the Convention has not been amended by the Protocol, the Technical Explanation of the Convention remains the official explanation. References in this technical explanation to he or his should be read to mean he or she or his or her.
