Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Lessons in the Science of Infinite Spirit, and the Christ Method of Healing As the lighthouse throws its beams to guide the mariner through trackless waters, so upon the world's waste, this book is sent out to warn the wayfarer from time and place, and to guide him into the secure peace and rest of Infinite Love. May this chart of divine experience and illumination guide all pilgrims on the path of life into the safe harbor of Infinite Love, or Unity and Truth. As the light shining from the lighthouse warns from danger - by making clear the way of safety - and therefore directs into safe harbor, so the truth set forth in this book of lessons will be seen to be that light manifest that lighteth every man that cometh into the world, to make clear the way to the Christ consciousness, thus guiding into safe harbor of Oneness with God, the Father. We purpose in this book, through the science of Infinite Spirit - Mind - Principle - to make clear that understanding which unites all, and which alone reveals the true relation of humanity to God, and the purpose of God in humanity, which is the straight and narrow way that leads unto safety. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
