Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is an attempt to refocus our attention on the Lord s Supper. It is interesting to note that in the first century preaching took second place to assembling to have Supper with the King. This is a call for self-examination relative to our attitudes toward this memorial event. Jesus was serious when He said, This do in remembrance of Me. He was asking for heart, not ritual. This book is designed for study in classes, personally, and for sermon content. It contains 60 truths about the Lord s Supper, most of which have been missed in presentations about the Supper.
