You know I have a big heart and am always so open and full of enthusiasm in friendship and nature and I find it s not welcome in this world. Feel like I am on wrong planet because people look at me with suspicion or even I must be crazy. I cannot change how I am. In the past, I have been taken advantage from kindness by bad people and then I feel at times so lonely because I feel nobody shares the same openness, the same joy for sending smiles, to bring laughter to others, just to look at the nature and be so happy.just small things that make me so happy almost tears in the eyes and I feel like I must hide my feelings, especially in the city or around serious people because it is inappropriate to them, or I don t know. But I cannot. And so I draw that cartoon as a way to reclaim those feelings and reclaim myself. I think you will see the big emotions in Package. Just want to have friends whom appreciate those things small beauties in nature, life, animals, and PACKAGE.the cartoon. Just to be accepted and loved as I am. It s a strange world.because it feels like am asking for the moon to be just accepted The second story will be soon.
