DEAR BROTHERS, WITH LEADER S GUIDE (PAPERBACK)

Resource Publications (CA), United Kingdom, 2012. Paperback. Condition: New. Leader s Guide ed.. Language: English . Brand New Book ***** Print on Demand *****.Description: Sooner or later every person faces questions about death and whether there is anything beyond it. This little book consists of personal and sometime private letters between three brothers who realize their own lives may soon come to an end. The wisdom they offer is not only for their own families and friends left behind, but for others who have faced the loss of loved ones. Writing from different religious perspectives, the letters are nonetheless spiritual in the way they seek to wrest from a life lived in the face of death some wisdom for one another as well as others who have shared their struggles with life s deepest questions. Via honest and heartfelt letters written to one another over the course of a year, each shares his unique understanding and questions about death and life after death. Because the topic is so close to the human heart, this lovely and provocative book provides a way for us all to open discussion of...
