When the two young women from completely different worlds forge a friendship, they don't realize what tragic events will alter their bond. Instead of going backpacking in Europe for the summer, pregnant eighteen-year-old Chloe Parrish ends up in Fields Corner. Her parents send her there to work in her aunt's restaurant. Chloe's parents and her boyfriend Logan want her to consider adoption. Amish and happily married, Beth Byler is pregnant with her first baby. When she sees how sad Chloe seems at the doctor's office, Beth asks if everything is okay. Although they come from different backgrounds, their pregnancies give them something to share and they become friends. During their prenatal visits, Chloe and Beth meet a new obstetrician, Dr. Tony Cunningham. He becomes interested in the lovely Chloe. Tony and Chloe find themselves at crossroads in their lives-she's torn about what to do about her baby, and Tony isn't sure he wants to do Amish home births. After a baby is kidnapped, anger explodes between Beth and Chloe. Can both women recover from a heartbreaking situation, and trust God still knows what is best for them?.
