

How to Speak Any Language in 1 Month Never Forget It: A Polyglot s Journey Into the Wonderland of Language Learning (Paperback)

By Andrew Pham

Accelerated Proactive Learning, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At 21 years old, Andrew Pham was a young Vietnamese student living in Paris. Even though he did not call himself a polyglot, he already spoke five languages at the time: French, German, Spanish, Portuguese, and his native Vietnamese. While it had been rather easy for him to learn, he observed that it still took him several months to a year to learn any of the new languages. With this observation in mind, he progressively structured and improved his learning process until it finally yielded top results, helping reduce the time it took him to learn Italian to three and a half weeks, just in time for his trip to Rome. After this, he went on to study Chinese Mandarin using the same approach, this time taking him only four weeks to be able to speak in Chinese with others. Beyond sharing his method of learning any new language in less than a month, Andrew Pham also shares with us what we should do in order not to forget or to quickly recover any language we might be losing or might have...

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
