Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Powershell: Become A Master In Powershell So you want to learn about PowerShell? Let me guarantee you that there s not a better book on the market for that. Give me a minute of your time and I ll explain why. First, a lot of books that are supposed to teach you aren t good at teaching. They either go too slow, explain everything in baby terms, talk down to you, and leave you feeling like you didn t learn anything, or they re something like a college textbook where everything is incredibly in-depth. The important thing about this book is that it understands that dilemma. If you re looking for a quick guide to get you started on PowerShell, scripting, and automation - one that will boost you from an absolute beginner to somebody with a firm grasp on the concepts that they just spent a bit reading about - then you re looking at just the one. This book has the perfect pace for your busy schedule. Second, this book covers everything you need to know. We go from the very...
