Troubador Publishing, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This study explores the tensions and contradictions in the themes and style of L Allegria. It establishes links between Ungaretti and the French Symbolist poets, and reexamines the collection s affinity with the work of De Chirico, Cubism, Futurism and Surrealism. Offering ground-breaking views, particularly on the war poems, it demonstrates how Ungaretti used the obscure nature of Hermetic language to express his proto-Fascist and Nietzschean sympathies, thus destroying the myth of Ungaretti as a man of peace searching for a religious answer to the problems of existence.
