Anness Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Fish are amazing, and this first picture book is the perfect introduction for kids keen to discover more about them. In a supersized lightweight format, the book can be read on the floor, held up by a teacher or parent to show and share with a group, and enjoyed by all children whether alone or with others. Thematic spreads introduce fascinating underwater animals of all kinds, including lots of the most popular and well-known creatures that children might recognize, as well as intriguing and unusual species to find out about. Beautiful large illustrations by expert natural history artists are full of detail, and there is a bonus at the back of the book with a picture collection of plenty more fish in the sea!.
