Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Help your kid achieve great results by following simple, daily disciplines It doesn t take textbooks on Physics or hours of music or any other kind of force to teach something effectively to children. It just takes one thing - it takes patience. - Jim Rohn Turning your child s academic performance around is easier than you think, but it does take time. Don t worry though, using the methods outlined in my book, you will help your child achieve great success without having to spend hours a day to do it. Is your bright kid getting grades well below his or her potential? Do you think you are too busy to do something about it? Then this book is for you! In October of 2012, I started teaching my 10 year old son after school to help him bring up his mediocre grades. In June of 2013, he finished the school year. with honors! Not only did his grades improve significantly, he has also seen a great boost in his confidence and work ethic. In just a few short months, your child could be telling the same story! There are no expensive programs or additional textbooks to buy. All you need is your serious commitment and 10 minutes a day. Once you have read Release Your Kid s Dormant Genius, you will find yourself with no excuses left, especially the I m too busy excuse. My son s amazing transformation is proof that consistency is always fruitful. My book will give you the tools to persevere and drive real change in your child s performance. Expect to be amazed, but don t expect a...
