It is a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Scuba Professional is the natural successor to Simon Pridmore s first book, Scuba Confidential - An Insider s Guide to Becoming a Better Diver. Whereas Scuba Confidential focused on how to scuba dive, Scuba Professional looks at how diving is taught and how dive operations are conducted. Scuba Professional is an excellent source of out-of-the-box ideas and independent, objective advice for instructors and dive operators. In short, this is everything you wanted to know about working in scuba diving but never dared to ask. Scuba Professional is not only for professionals. Serious divers who take more than a passing interest in their hobby and want to know what goes on behind the scenes will be fascinated by the topics addressed and the insights offered. From a dive safety point of view, Simon looks at the bigger picture and, in a series of chapters on avoiding and handling accidents, sets out a framework for developing the safety culture within our sport. He also examines the present state of key aspects of the dive industry and speculates as to the future. There is quite simply nothing like this book. Scuba Professional offers an invaluable guide to divers who want to excel in the scuba world. This is the ultimate backstage pass into the business of scuba.
