Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Most give little thought as to how any woman could end up trapped in the oldest profession in the long existence of humanity; from the desperate impoverished ghetto girl that traded her body for food, protection and shelter to the college educated and sophisticated society debutante, that started this dark life on a lark. For each the story can be markedly different, a jumbling of circumstances or a disastrous bad watershed decision. Each chapter within this cover chronicles the personal pathway either of choice or coercion in a destiny that labels a woman to be an outcast, shunned by society. Most herald brutality, torture (both physical and emotional), fear, pain, despair, addiction, and a personal enabling philosophy. Few measure success and independence. The personal stories you are about to become part of are the galvanizing chronicles of the individual plights and despairs of everyday girls and young women that have suddenly found themselves without hope, trapped in a life of singular purpose, the merchandising and sale of sex. This book is a safe but special journey into a less than special underworld of fear, suffering, pain and violence. You will witness unfettered cruelty and familial abuse. You will understand the coin of the realm. You will know the relentless and callused demand of pimp daddies and their brutal incentive programs. You will discover the human or inhuman side of the creatures that inhabit this dark and hard world, both the predators and the prey. At no danger to you, you will for minutes live these lives. Emotionally exhausted, when you exit these pages, you will perhaps begin to see beyond the label.
