Girls Money Sexy Snaps: What Really Happens When a Girl Strips Naked for a Photographer? (Paperback)

By Nigel Holmes

Booksurge Publishing, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Written in Holmes own inimitable style. Jam packed with information and laced with stories of naked girls and what they and the photographers get up to. Holmes talks frankly about his models in a way that may shock some, yet all the incidents are true. He talks about money. Where it comes from and where it goes. Who pays for what. How to get other people s money to send you abroad. How to find models and how to undress them. He talks of under aged girls and others who literally get sexually turned on by the camera. The information just keeps coming. Information that is designed to help anyone take pictures of pretty girls. Lighting, posing, equipment, portfolios and much more. This book answers many of the questions that you need to know before you take your next set of pictures. I ve been reading your book in bed and my wife couldn t understand why I kept shaking. No! Not what you think. Just me trying to hold back the giggles about something you had written. P.K. Scotland.
