Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The benefits of a statistical equations and answers guide are pretty obvious when one starts to take a harder look at them. The guide is a tool that is used to generate a great study guide from which studies can benefit. What this means is that it provides students with the ability to learn new material simply by consulting the guide whenever they have a question about something. There is no more need to worry about getting something wrong with this guide in hand.
