Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Organized religion has a place in the world but as I found out, it is nothing more than a stepping stone, a stage that the soul must go through until it intuitively knows, and yearns for the whole truth. This was my journey, a journey of being lost in a wilderness of confusion, and having a vague idea that there was something of great beauty underlying all that occurs on earth, to a place of inner peace, and of knowing that what we really are cannot ever die or cease to exist, a rare commodity if one refers to any newspaper. My journey was not without loss, the journey home requires facing every fear...
