Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Stanzas of Dzjn is a book of poetry, dealing with the history of Creative Evolution from the earliest dawn of Creative Action down to the final consummation, when the Universe returns into the Bosom of Infinity. There are reasons for believing that in its original Form, it was the product of the Nagas of Ancient India, though as we have it now, it is undoubtedly influenced greatly by Hindoo and Thibetan elements. These Stanzas have for a number of centuries been in the custody of the Buddhist Monasteries of Landak. It was there that Madame Blavatsky obtained a number of the Stanzas. Some of these she published together with her Commentaries, under the Title of The Secret Doctrine as Anthropogenesis, and Cosmogogenesis. These Stanzas and Commentaries will be found in the First and Second Volumes of the Secret Doctrine. Dr A S Raleigh.
