

Sadie Sees Trouble (Paperback): Sadie the Dog Early Learning Series with a Coloring-At-Home Opportunity for Parents and Children (Paperback)

Filesize: 2.26 MB

Reviews

Extremely helpful to all category of individuals. I have got go through and that i am confident that i will likely to read through once again again later on. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SADIE SEES TROUBLE (PAPERBACK): SADIE THE DOG EARLY LEARNING SERIES WITH A COLORING-AT-HOME OPPORTUNITY FOR PARENTS AND CHILDREN (PAPERBACK)

Linda Jarkey Communications, LLC, 2018. Paperback. Condition: New. Julie Jarkey-Kozlowski (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Sadie Sees Trouble is a unique invitation to parents to engage children with the delightful tale of Sadie the Dog as she tries to lure her little girl Penny back into active play around their home. Responding to nationwide calls by educators to reduce screen time among young children, veteran educators Linda and Julie Jarkey developed this first book in a series of Sadie stories so that it literally opens doors in family literacy. What doors? Well, first, the doors to your kitchen cabinets! All of the book's colorful artwork was produced with items typically found in a family's kitchen. The components are listed at the back of the book, from strawberries to mustard. After reading the story the first time, readers can download free black-and-white illustrations of Sadie and Penny to color along with the characters and expand the entire story. The authors welcome readers to visit the book's website and share their ideas of ways to turn common foods and household materials into art supplies. The authors even step outside and include blades of grass clipped from the lawn. This first book is an open invitation to enter Sadie's world and spark creative ideas in your home. The authors hope you will welcome them and their beloved characters into your home. This book is a must-read for young children who use technology. Interaction with others and childhood play activities are losing their edge over tablets and smartphones. This delightful book, written from the point of view of Sadie the family dog, helps parents define limits. Nancy Jayroe, MA, LPC, NCC, Professional Family Counselor and Educator As an educator in Special Education,...
