1001 Nights Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Step back in history one hundred years to the trial of a society beauty. Her scandalous affair lends publicity to a book that advocates sexual depravity--the *Doctrine*. Reproduced here in its entirety, the 3rd edition of *The Doctrine of Venus* has been censored in America for a century. A seminal work of domination and submission, it is a rulebook for collaring your lover. It is a manifesto for romantics and sinners. Shocking and arousing, and complete with a dozen erotic photographs of the period, it whispers temptingly to readers to try it for themselves. As sensational now as it was back then, *The Doctrine of Venus* is more than a hot read; it is a book that may change your life--forever.
