Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Dr. Dane McKendrick is tired of his twenty-four-year-old receptionist, Amity Derrington, failing to take her job seriously. Amity is beautiful and smart, but the rich, spoiled girl clearly needs a firm hand, and when she shows up late for work and hung over yet again, Dane lets her know that from now on her behavior will have consequences. It isn't long before Amity puts Dane's warning to the test, and she soon ends up over his knee for a long, hard, bare-bottom spanking. But she's completely unprepared for the strong emotions that overwhelm her as she dangles over the stern doctor's lap, and though the painful chastisement brings her to tears, Dane's attentions turn her on more than she ever imagined possible. More embarrassing still, when Dane learns the extent to which she has neglected her annual check-ups, Amity quickly finds herself receiving the most intimate, thorough exam of her life. But when Amity learns the full truth about Dane, will she be able to give him everything he demands? And if Amity's father—who happens to be the most prominent man on the hospital board—finds out about their new relationship, will it cost Dane his job? Publisher's Note: The Doctor and the Naughty Girl is an erotic romance novel that includes spankings, sexual scenes, medical play, elements of BDSM, and more. If such material offends you, please don't buy this book. This book is also available as part of a five-book collection entitled What the Doctor Ordered.
