By Inez Randolph

iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The power and abiding love of God sparkles from the pearls of wisdom, the personal testimonies and poems that illuminate this little volume. If anyone feels downhearted, depressed or simply lost in a world that is beset with many crises and gloomy forecasts, then reading these inspired pieces will surely uplift him or her, reminding each one of us that we are all the children of a loving father. Inez, who has not been afraid to tackle and surmount the hurdles in life, who has walked through the dark tunnels of divorce, disappointment and the struggle of bringing up children as a single parent in strange and foreign lands in Europe, sheds so much light and radiates so much hope in these writings, showing how a loving God sends us angels--not airy-fairy angels with wings and white robes--but human, tangible, real agents that are always there in times of crisis or choice.
