Emereo Publishing. Paperback. Condition: New. 332 pages. The Stig is a character on the British motoring television show Top Gear. The Stigs primary role is setting lap times for cars tested on the show, as well as instructing celebrity guests for the shows Star in a Reasonably Priced Car segment. The character is a play on the anonymity of racing drivers full-face helmets, with the running joke that nobody knows who, or indeed what, is inside the Stigs racing suit. The identity of the original Black Stig, Perry McCarthy, was exposed by a Sunday newspaper in January 2003, and confirmed by McCarthy later that year. The black-suited Stig was subsequently killed off that October in the series 3 premiere, and replaced in the following episode by a new, White Stig, who lasted through series 15. In series 13, the show jokingly unmasked the Stig as seven-time world champion F1 driver Michael Schumacher. In the hiatus following series 15, racing driver Ben Collins was revealed to be the Stig in a court battle over Collins impending autobiography, titled The Man in the White Suit. In series 16, debuting in December 2010, Collins was replaced by a second White Stig, whose identity has so far remained secret. This book is your ultimate resource for The Stig. Here you will find the most up-to-date information, photos, and much more.
