New Internationalist Publications Ltd, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. Can t imagine the world without them? Everyone wears T-shirts - old/young, black/white, women/men, cool/uncool.First T-shirts (called that for their shape) came from US and after WWII were worn without a shirt; became popularized by Marlon Brando and James Dean on TV and shocked some people. But by 1955, it had become acceptable. Today, they are the ultimate apparel: branding, colours, easy gifts, easycare, fashion statement.you can decide what suits you. But too many are produced by sweatshop labour, from cotton doused with pesticides that kills people and the environment. Now, the trade justice movement seeks fair trade for cotton producers - a new slogan for today s T-shirt. One Small Item, One Giant Impact - the Trigger Issue series exposes everyday objects in a new light. Short, sharp, and provocative - themes are taken from the award-winning New Internationalist magazine - 40,000 UK subscribers. It includes unusual, hard to find facts and figures. The previously published titles in this series include - Diamonds , Kalashnikov , and Mosquito .
