

Calling the Shots: Immunization Finance Policies and Practices

By Committee on Immunization Finance Policies and Practices, Division of Health Care Services and Division of Health Promotion and Disease Prevention, Institute of Medicine, National Academy of Sciences

National Academies Press. Hardback. Book Condition: new. BRAND NEW, Calling the Shots: Immunization Finance Policies and Practices, Committee on Immunization Finance Policies and Practices, Division of Health Care Services and Division of Health Promotion and Disease Prevention, Institute of Medicine, National Academy of Sciences, Calling the Shots examines the basic strategies that finance the national immunization system in the current health care climate. It is a comprehensive volume, rich with data and highlighted examples, that explores: * The evolution of the system in light of changing U.S. demographics, development of new vaccines, and other factors. * The effectiveness of public health and health insurance strategies, with special emphasis on the performance of the "Section 317" program . * The condition of the infrastructure for control and prevention of infectious disease, surveillance of vaccines rates and safety, and efforts to sustain high coverage. Calling the Shots will be an indispensable resource to those responsible for maintaining our nation's vaccine vigilance.
