They have no very masterful grip of thought, or piercing insight of vision; but they are strong, sensible, and simple. We have read the greater part of them with both intellectual pleasure and religious edification. We wish, however, that clergymen would abandon the old conventional note of a sermon, my brethren, and speak to men on religious topics with the formulae of ordinary oratory. Much more is involved in this than mere taste; the more entirely preaching can be identified with the common life and experience of men the more effective it will be. Dr. Trench has but little of this conventionalism; he could well afford to dispense with it A discourse is not a sermon because the phrase, my brethren, is in it, nor is it less a sermon because it is omitted. The Satires of A. Persius Flncus. With...
