Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

By Joseph Henry Johnston First Lieutenant 322 Infantry Formerly of the Faculty of University of North Carolina THE educational career of Dr. Charles Hughes Johnston may be said to have covered the twelve years from 1905 to 1917. These twelve years were spent in teaching and writing. After completing his work for the doctorate at Harvard University in 1905, Dr. Johnston taught psychology in the State Normal School at East Stroudsburg, Pa. , for one year. The following year he was appointed supply professor at Dartmouth College, to fill a vacancy there during the one-year absence of Professor H. H. Home, then Professor of Philosophy at that institution. The following year he was called to the University of Michigan as Assistant-Professor of Education, and remained there for three years. It was here that his main interests became fixed in the then comparatively new field of Education. His major work at Harvard had been done in philosophy and psychology. Though his reading in this field was comprehensive, and though he was an enthusiastic student of Greek philosophy and could follow an abstract discussion as whole-heartedly as any one, he was primarily an administrator. He was as vigorous physically as he was mentally. He was never satisfied simply to know, but to do. It was but natural that he turned eagerly from abstract psychology to educational psychology; from the study of how the mind works to the study of how it may be made to work...
