Reviews

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.

(Elva Kemmer)

KILLOYLE: AN IRISH FARCE

Dalkey Archive Press. Paperback. Condition: New. 241 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Proving that the spirits of James Joyce, Flann O'Brien, and Samuel Beckett still flow in the veins of at least one Irish writer, Roger Boylan has composed a novel filled with hilarity and doom about the inhabitants of the Irish town of Killoyle: Milo Rogers, a headwaiter and would-be poet with a bit of a drinking problem and a bit of a sexual one; Kathy Hickman, a writer for the woman's fashion magazine Glam, as well as a former pin-up girl; Wolfetone Grey, who reads books only by or about God, and who also makes anonymous phone calls through-out the town in order to make people believe, among other things, that they have just won the lottery; and a host of other peculiar folks, all suffering from and tortured by problems with God, sex, the drink, and of course Ireland. Accompanying all of this is a nameless figure who bursts on the scene in the form of acerbic, opinionated, hilarious footnotes that rudely comment upon the characters and numerous other subjects. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
