## The Black 100: Ranking of the Most Influential African-Americans, Past and Present (Paperback)

By Columbus Salley

Kensington Publishing, United States, 1998. Paperback. Condition: New. New edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Who are the most influential African-Americans that ever lived? Any such list is subject to passionate discussion and debate. It is within this controversy that readers are educated about the full breadth and depth of the African-American experience. After extensive thought and research author and educator Dr. Columbus Salley has selected the 100 most influential African-Americans of all time, and then ranked them according to their contributions to the struggle for equality. As a result, the Black 100 is a unique compendium of the most significant African-Americans, past and present. Dr. Salley identifies 100 black women and men as the collective giants on whose shoulders African-Americans stand in their unending quest for full economic, political and social equality. The Black 100 is not a debate on the most talented or most famous Black Americans, but is a listing - and ranking - of those who have had the greatest impact on the progress toward complete participation in our society. Here are the 100 who have fundamentally altered the ways in which millions of Americans - of all races -...
