Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Want to encourage your kids to write and draw? Imagine how excited your child will be getting to draw while learning to write, too! And we have just the perfect educational tool for your little ones. Give your kids the perfect tool to express their imagination and creativity by writing and illustrating their stories. We aim to help open every child's imagination and encourage expression through comprehension writing using our primary journal. Here are more reasons to choose our notebook: IT'S BUILT TO LAST- The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. Less fussy and messy than the typical spiral notebook with its dreaded metal spirals. VERSATILE USE - Whether for practicing their handwriting and spelling or improving their drawing skills, this journal allows your child to enjoy illustrating their thoughts while writing a story. WELL-CRAFTED INTERIOR- We used only thick, white paper for all 100 sheets to avoid ink bleed-through. All 200 pages are blank on top half with primary-ruled lining below. The lines are printed clear, thin and solid black. PERFECT SIZE- With its 7.5 x 9.25 (19 x 23.5 cm) dimensions, a little smaller than A4, it can be squeezed into a bag with ease. It's the perfect size- easy to carry! INSPIRING COVERS- To top it all, we have an array of cover designs to choose from. Get inspired by our collection of truly creative book covers. We are a small company who stands for quality and aims to provide the best writing experience with our notebooks. Our primary journal is a must for early...
